SIZZAPP APP Manual

SIZZAPP is Smart security system and reliable trip mate for your vehicle.

It is a compact, easy to install monitoring device without contract and monthly fees.

Track your vehicle location, protect it from thefts and receive notifications even if you are not around.

With the help of this document, you will learn everything about working with the SIZZAPP application, from how to register an account to all the features available in the application.

SIZZAPP App Tutorial can be also found in video format:
